- If cancellation is made less than 28 days before the commencement of the course, whether deliberately or by default, the balance of fees must be paid in full, a condition that is accepted when the booking is confirmed, except if the cancellation is to meet Covid-19 Government guidance
- Due to the Covid-19 pandemic we have suspended our cancellation charges for schools who need to cancel their visit in order to meet Covid-19 Government guidance. Please contact us with as much notice as possible so that we can offer the dates to others. You can choose to reschedule to a future date (subject to availability), receive a credit note, or receive a full refund.
- It is strongly recommended that travel and cancellation insurance is obtained for the group as would be standard for any "out of school/college" trip, course or holiday.
