

Avon

Grow Wilder

Thanks for booking the facilities. Please share this welcome information with your group.

We hope you enjoy your day at Grow Wilder on this 6 acre Avon Wildlife Trust site. You are welcome to explore the different areas and the wildflower nursery which is open for plant sales (alternatively, visit our online shop www.growwilder.com).

Our mission is to inspire people to take action for nature through wildlife gardening and sustainable food growing. In May we open our café at weekends, with seasonal events on the first Saturday of the month. Like us on [Facebook](#) or [Instagram](#) to stay up to date with all events and courses.

Hygiene:

- **Please don't come if feeling at all unwell.** We want to protect each other and our core land partners. We host different food growing businesses supplying essential food and service to communities and vulnerable groups.
- On arrival please wash or sanitise hands at the main building entrances
- We encourage hand washing and sanitising throughout the day to minimise risk
- Do not enter the kitchen or other buildings as we have to restrict access at this time. The group leader can come and fill up a hot water flask from the urn if needed.
- Toilets are available on site including accessible toilet (toilet rolls are stored above each door)
- Let us know if anything needs replacing or cleaning
- Regular touch points are cleaned throughout the day and all tables/chairs before arrival
- Please respect 2 metre spacing and avoid gathering in front of main building or other busy areas. It is a big site, so you are encouraged to spread out.

Getting here: We promote sustainable transport and are well connected to walking, cycling and bus routes: M1, M2, 48a, 19 and Y4. The Metorbus is only 10mins from the city centre.

By car:

We have limited space for parking on site which is reserved for works vehicles and people with mobility difficulties (please let us know if a space needs reserving). If coming by car please use Begbrook Social Club which is 50 meters past our entrance (BS16 1HY)

Address: Grow Wilder, 181 Frenchay Park Rd, Bristol, BS16 1HB
